

Best Audit Practice Contest

Does your credit union have a great internal audit survey? An excellent cross-training program? An audit/supervisory committee support form that is the pride of the region? If so, then ACUIA would like to hear about it and you might win the Best Audit Practice Contest.

If you and your staff have come up with something outstanding that made your “auditing life” easier, it’s probably an idea worth sharing. Entering is easy. Just tell ACUIA about your idea in 250 words or less. Tell about the idea and the results that were achieved and why other ACUIA members should use your practice.

Entries should be submitted by May 31st:

Email: acuia@acuia.org

Fax: 703.348.7602

Please include:

- Contact Name
- Credit Union
- Email address and phone number
- Credit Union Asset Size
- Number of Auditors
- Number of CU Members

The top three ideas based on member votes will be announced at the Annual Conference. Winners will receive a plaque and a gift card.
